

## INFANT KITS FEBRUARY MISSION PROJECT

Help mothers give their infants a good start. These kits are given to families displaced by war or disaster and are used in a number of other settings to help support mothers who lack the supplies they need for a new baby. 9,992 infant care kits shipped last year to Bosnia and Herzegovina, Serbia, Ukraine, Jordan, the U.S. and more

### **Contents (NEW items only, size 3-9 months)**

- 2 gowns/sleepers (flannel or similar warm, soft material)
- 2 undershirts/onesies (short or long sleeves)
- 4 cloth diapers (flat-fold preferred)
- 1 receiving blanket (lightweight fleece or flannel; minimum 36 in)
- 4 safety pins (2 in)
- 1 large bar mild soap (leave in wrapper)
- 1 pair of socks
- 1 cap

Items can be purchased or sewn. Contact one of MCC's material resources centers for a pattern for hand-sewn gowns; packages of precut materials are available from some centers. To pack, remove packaging material (except from soap) and fold into the receiving blanket. Fasten together with the safety pins.

Thank you for limiting your generosity to the items listed. Bring completed infant care kits to an MCC drop-off location.
